

Guess Who's Coming to Dinner Scene

CHRISTINA

Now I have some instructions for you. I want you to go straight back to the gallery. Start your motor. When you to the gallery, tell Jennifer she will be looking after things temporarily. She's to give me a ring if there's anything she can't deal with herself. Then go into the office and make out a check for cash for the sum of \$5,000. Then carefully remove absolutely everything that might subsequently remind me that you had ever been there including that yellow thing with the blue bulbs, which you have such an affection for. Then take the check for \$5,000, which I feel you deserve, and get permanently lost. It's not that I don't want to know you, although I don't. It's just that I'm afraid we're not really the sort of people that you can afford to be associated with. Don't speak. Just go.
